

HIGH-GLOSS
FRP EXTERIOR RV PANEL

RECREATIONAL VEHICLES

Versalit Premium is a deluxe high-gloss, smooth, mirror-finish, gel coated exterior sidewall panel for premium and luxury recreational vehicles. Its special resin formulation resists and behaves better in extreme weather conditions than any other product of its class. Versalit's Premium state-of-the-art production process responds to the highest design & quality expectations.

THE PRIME CHOICE
WHEN ONLY THE
BEST WILL DO

Features

-  **Premium Surface:** High-gloss, mirror-like finish & no visible fiberglass reinforcement
-  **Superior Resistance to Extreme Weather:** Specialized resin and GelCoat protection
-  **Scratch & Abrasion Resistance:** Withstands dents and dings
-  **Mold & Mildew Resistant:** Healthier living space
-  **UV Stabilized:** To enhance weathering capabilities

Benefits

-  **Comfort:** Enhanced insulation properties control internal temperature and reduce road noise
-  **Savings:** Long lasting material requires no costly repairs or special upkeep
-  **Simplicity:** Looks great with fast and easy cleaning
-  **Value:** High resale value

Applications

Exterior panels for premium and luxury travel trailers, fifth wheels and motor homes.
